| 8           | Nursery             | 3,500     |
| 9           | Daycare             | 2,000     |
| 10          | Emergency Room (ER) | 250/- per |

**Room Charging Pattern**

It will be 24 hrs based i.e., Check out time will be considered as the check in time Stay up Half day will be charged

- Stay more than 8 hours : Full day will be charged
- Grace period will be 2 hours for discharging patient
- If the overall stay is less than 8 hours then half day room rent will be charged

**NOTE:**

1. When the patient is in ICU and the patient attendant is allowed to retain the bed, normal charges as above will be applicable.
2. Service charges will be added to investigations and procedures wherever they are not charged separately as per the category of ward.
3. Attendant Room: The Stay is only for ICU patient's attendants from 9 PM to 6AM. Only one attendant may stay in a room.

**Admission through Emergency**

Where a patient is admitted to the emergency ward and the desired category of the bed is not available, the charges applicable to desired category of bed is applicable if the same is lower than emergency ward bed. In any other events, the charges applicable to emergency ward bed will prevail.

**Admission directly in to ICU**

Where a patient is admitted to ICU bed directly, the charges for procedures/surgeries will be charged as per the tariff applicable to the type of higher category of bed. The bed charges will be as per ICU bed charges.

 CVJ/Foramen Magnum  
 IM Tumors  
 Skull base / CP angle / post fossa and other complex  
 craniotomies Spinal surgery with instrumentation and reconstruction

**Category B:**

All craniotomies for trauma  
 All spinal surgeries except cat A and cat C  
 All craniotomies for elective surgery except cat A  
 Cranioplasty/CSF rhinorrhea  
 Congential spinal anomalies except meningocele  
 Epilepsy surgery  
 MVD T  
 TNTS  
 Brachial plexus  
 Craniotomy for ICH

**Category C:**

Nerve repair / Nerve entrapment under GA  
 Single level lumbar/ cervical disc  
 Shunt surgery  
 Carotid endartrectomy Endoscopic surgery Meningocele  
 Endoscopic surgery Meningocele  
 Meningocele  
 ENDOSCOPIC SURGERY CAT C

**Category D:**

Burr hole  
 Brain abcess/cyst aspiration  
 Chronic SDH  
 Shunt Revision  
 Carpal Tunnel syndrome/ nerve entrapment under LA/RA  
 EXCISION OSTCOMA CAT- D

**Category E:**

EVD  
 Skull traction  
 ICP monitoring  
 Ventricular tap  
 Muscle biopsy  
 Tic injection

" Surgery / Procedure & Investigation charges are the same for all room catogary

**For Procedure (S.No 1 & 2)**

Package Includes:

- Item 1 & 2 includes upto 1 days stay room, Professional fees of cardiologist
- Investigations -- Routine drugs and disposables in Cath Lab
- Non Ionic Dye

**Package excludes:**

- All expenses for stay beyond the package period, Professional charges of other consultants
- Any additional procedure
- Use of special drugs/ consumables
- Investigations include- Complete Blood Count, Blood Sugar, Renal Function Test (Na, K, Urea, Creatinine), ECG, Chest X Ray, HbsAg, HIV 1 &2, Blood Grouping,
- Routine Disposables include- Angiography catheter, syringes, needles, IV fluid, Local Anaesthesia

**For Procedure (S.No 3 )**

Package Includes:

- Upto 3 days stay (1 day in ICU & 2 days in room), Professional fees of cardiologist
- \*Basic investigations -- Routine drugs and disposables in Cath Lab
- Non Ionic Dye

**Package excludes:**

- Stent Cost , Gp IIb/ IIIa inhibitor, All expenses for stay beyond the package period, Professional charges of other consultants,
- Any other additional procedure, Use of special drugs/ consummables and ward drugs
- Other devices like Rota & Atherectomy equipment
- \*Basic Investigations include- Complete Blood Count, Blood Sugar, Renal Function Test (Na, K, Urea, Creatinine), Liver Function Test, Lipid Profile, ECG, Chest X Ray, HbsAg, HIV 1 &2, Blood Grouping,

Blood Cross Match (1 unit), #Routine Disposables include-  
Angioplasty catheter, Angioplasty wires, One  
Balloon, syringes, needles, IV fluid, syringes, needles, IV fluid, Local Anaesthesia etc

**For Procedure (S.No 4)**

Package Includes:

- Upto 4 days stay (1 day in ICU & 2 days in room), Professional fees of cardiologist
- \*Basic investigations -- Routine drugs and disposables in Cath Lab
- Non Ionic Dye

**Package excludes:**

- Stent Cost, Gp IIb/ IIIa inhibitor, All expenses for stay beyond the package period, Professional charges of other consultants,
- Any other additional procedure, Use of special drugs/ consummables and ward drugs
- Other devices like Rota & Atherectomy equipment
